Another big THANK YOU to club member Becky Reisz for her financial review work done during our recent bookkeeper transition.

Board of Directors Updates

BYLAWS REVIEW:

The Board sees a need for review and revision of our current By-Laws. They were written nearly 40 years ago, and need clarification and updating. The Board recommends the formation of an ad hoc committee of five members (comprised of both Board members and regular members), willing to commit 18-24 months to review and revise the By-Laws. If you are interested, please contact Jim Cundey or John Keyse-Walker.

"INACTIVE" FEE INCREASE

The Board approved an increase of all "inactive" fees to \$75 per year, regardless of the reason (such as injury, permanently disabled, moved away, etc.). There will be no "free" years. If full dues are not paid, member must pay \$75 and declare status:

1. Inactive (for any reason, including injury; limit of 2 consecutive years)
2. Disabled (permanently)
3. Moved away > 50 miles

This increase will go into effect January 1, 2020.

Rules to Play By

Guests - A non-member may only play a TOTAL OF THREE times in one season. Members who invite non-members to play must determine if that person has already played as a guest with anyone else. If they have already played three times, they are not eligible as a guest -- even if they have not played with you!

If any member observes that a guest has played more than 3 times, notify a Board member. It is the Board's responsibility to address the situation.

Court Sign Up - Remember to sign up on the white board on the fence to play. Courts are first come, first play ... there are no reserved times.

If all the courts are taken, sign your name on the "waiting to play" area. The first available court will go to the name at the top of the list.

If your playing partner(s) have not arrived, you may not hold a court while others are waiting. You must keep your name on the "waiting to play" list until your playing partner(s) arrive.

When people are waiting to play, doubles are limited to 1-1/2 hours and singles to 1 hour.

Remember, if you are playing singles and your time is up, you must come off the court and give your court to the person who is at the top of the waiting list. You may not invite someone else further down on the list to play doubles with you and restart your time.
